## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 1, 4-9, 13-17, and 20 are rejected, because the term "and/or" is indefinite. The claim should indicate whether or not the limitation is included, not both.

In claims 5-7, 9, 14, and 16-17, the use of the phrase "known way" is indefinite. It is unclear what a "known way" is. The "known way" should be clearly specified in the claims.

The remaining claims are rejected for their dependency upon the rejected claims.

### ***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 1-20 are rejected under 35 U.S.C. 102(e) as being anticipated by LeLeu (6,088,687).

LeLeu discloses a process and corresponding system for processing payments comprising the limitations as set forth in claims 1-20 (col.2, line 1 to col.3, line 12; col.3, line 50 to col.4, line 5; col.4, lines 20-55; col.6, line 58 to col.8, line 37; and col.9, line 30 to col.10, line 50).
